Dear Parishioners & Friends -

For those who have been around Assumption for sometime, you may remember my struggle with cancer over the years.

I was enrolled in a research program at Mayo Clinic that ended this past August. It was a six month program and along the way it showed the treatment was working. But recent tests showed it wasn't working any longer. Hopefully, I added to their research efforts. I always said if it doesn't help me it might help others down the line. The Mayo Clinic proved to be an amazing place as it's reputation suggests!

The doctors also offered more traditional treatments but I have declined. I am at peace with the decisions I've made and the place I'm at. I recently began hospice care with Our Lady of Peace.

As I settled into a room this week at OLP, I was amazed at how nice everything is. I know that is due, in part, to the generosity of Assumption parishioners, who have always been supportive of OLP's mission.

I am grateful for the people of Assumption and all your support. Please pray for me as I pray for all of you.

~ Steve O'Gara
